Dear Friends:

Welcome to Wilmette and Centennial Park's fifth annual Wilmette Park District ice show.

The 600 ice performers skating in the show have been taking lessons at Centennial Park, many since the rink's opening in 1972. The show, "created for the children, by the children, and for the entertainment of all," is a reflection of the skills acquired by our students. It offers the fun and challenge of performing to all students, from beginning skaters to champions, while giving the community an opportunity to see the talent developed within their own village. For our young featured skaters and soloists, it represents a "dream come true" following many long hours of hard work.

"Our Fifth Avenue" focuses on Wilmette, its shops, its activities, and its people. Our spotlight is on our skaters, our professional staff and our volunteers. The park district's Board of Commissioners, Staff and I thank these dedicated people who have given so much of their time to create our show.

I am proud to present "Our Fifth Avenue".

Sincerely,
